BODIES

All bodies are made from American Pacific Coast Maple or American Ash. Finish bodies are sprayed with 11 coats of color finish and are wet sanded between coats which gives it that final mirror finish. All body styles are available in the assortment of colors shown on this page.

Pickups

Powerful, fully shielded low-noise pickups for high out put. These high resistance pickups feature "staggered" pole pieces, 4 conductor shielded wiring, potted for feedback suppression and specially wound for high-end punch. Our array of pickups range from '57 Humbucker to our Vintage Single-Coil Alnico & Ceramic and state of the art Bass Pickup, active and passive.

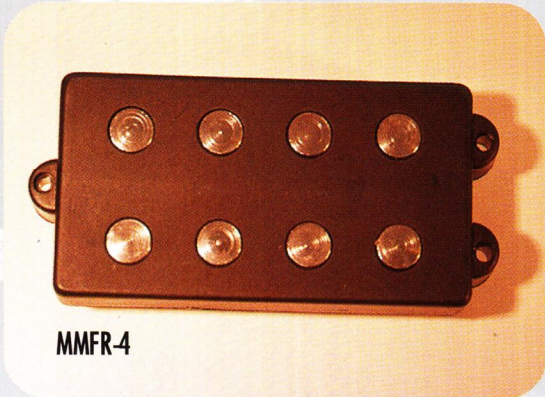

If you are not happy with the sound of this pickup, please call within 30 days of purchase for our exchange policy
