Since the 1970's, Mighty Mite® has supplied quality guitar parts to some of the most renown luthiers in the industry. Our pride and customer service are un-matched and the Mighty Mite® name stands for Quality Performance.

Mighty Mite® Bodies are made from the finest North American woods. Our quality replacement bodies are cut from the finest Pacific coast Maple and American Ash. Our eleven coat bodies are wet sanded between coats wich yeilds a beautiful mirror finish.

We offer, P Bass®, J Bass®, Strat® and Tele® replacement bodies in a wide variety of colors and woods. Flame and Quilted Tops are also available - See color chart for options.

Heavy Duty Storage Areas Give You Endless Storage Possibilities With Re-Enforced Zippers To Handle The Wear & Tear Of The Road.

Mighty Mite® Lite Weight Case

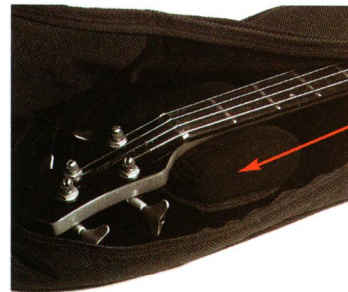

The Strength And Durability Of A Case, With The Storage Of A Bag Wrapped Up In One. Ultimate Storage For Your Guitar And Accessories.

The Buddha Rope / BR1

Bill "The Buddha" Dickens created this unconventional string-dampening practice aid. The Buddha Rope is an accelerated technique builder, that you slide under your strings to raise your action and enhance the string tension. Comes with a complete instructional guide that will increase your chops and finger strength.
