Since the 1970's, Mighty Mite® has supplied quality guitar parts to some of the best luthiers in the Industry. Our pride and customer service are un-matched and Mighty Mite® Bodies & Necks are made from the finest American Ash and Canadian Maple.

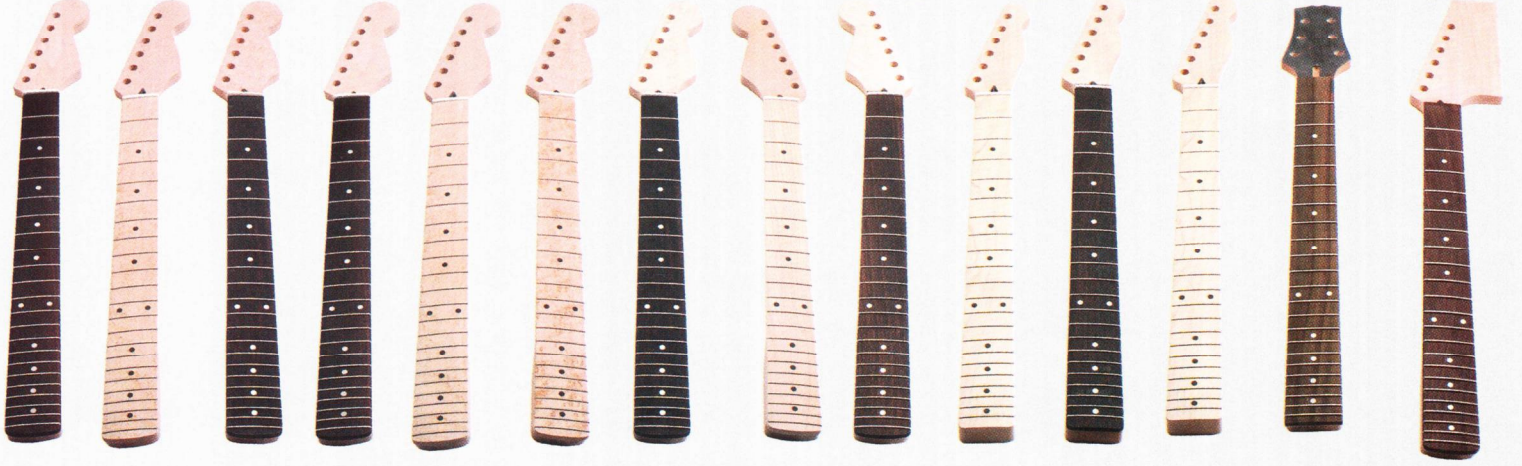

We offer, P bass®, J Bass®, Strat® & Tele® replacement bodies in a wide variety of colors and styles. From Hard Tail Strats® to Rear Routed 1 Hum Charvels®, We have what you're looking for to build that custom axe. All Mighty Mite® Bodies are cut from American Swamp Ash and the Flame & Quilt Tops are a real maple veneer. You will be blown away by the warmth, tone and finish. See Chart below:

MM2914

Since the 1970's, Mighty Mite® has manufactured custom parts for the dreamer, You know!! The guy that can't wait to hot-rod his axe. Yes! We don't make our stuff in the USA anymore BUT we do use the finest USA wood's available and YES! we do ship our USA wood all the way to Korea, Cut It, Spray It and ship it all the way back!!! WHY???? TONE!! Other Materials from over-seas are very moist and do not resonate very well, Our stuff sounds AWESOME!! Next time you order from one of our competitors just ask them, not just where?? BUT WHAT???

The axe below is an MM2902FCR with a Compound Radius 9 1/2" to 12" and a Floyd® Nut. The body is a MM290AFFRH-STBK ONE HUM This Axe Rocks!! and YES! We Have G.A.S Too
